Athletics

Athletics are an integral part of campus life. A wide-ranging program of intercollegiate competition, intramural sports, and recreational activities satisfies students’ individual athletic aspirations.

Indoor Facilities
McLane Physical Education Center is the hub of athletic activities. It has two regulation size basketball courts, a six lane swimming pool, a complete fitness center (with over 60 pieces of equipment designed to promote cardiovascular fitness as well as strength training equipment), two racquetball and squash courts, four badminton and volleyball courts, and a comprehensive athletic training room. The Health/Wellness Center (opened in February 2014) is a 33,000-square-foot addition to McLane Center which includes a 140-meter, raised indoor track; an all-purpose court suitable for basketball, volleyball, badminton, soccer and other open space games; and two locker rooms.

Outdoor Facilities
Outdoor facilities include Merrill Field (home of the Saxon football, lacrosse, and soccer teams) with a multipurpose artificial surface accommodating intercollegiate sports, intramural activities and recreation; the Harrington Softball Park; six tennis courts; several basketball courts; a portable volleyball and basketball court and a pavilion. All are located near the residence halls.

The Daggett Equestrian Center, just minutes from campus, opened in Fall 2005 featuring indoor and outdoor arenas, 52 stalls, and classrooms. Downhill and cross country skiing areas are located a short distance from campus.

Recreation and Leisure Sports
The philosophy of the recreational program is to contribute to the physical, social and emotional well-being of the University community by offering a diverse program of leisure time activities. All indoor and outdoor facilities are available for the intramural program and for general student use. With a focus on participation in competitive physical play, the program is open to the entire University community (undergraduate and graduate students, faculty, and staff).

The Recreation and Leisure Sports department offers sports activities in sixteen areas, eight of which are coeducational. Offerings include tennis, flag football, indoor soccer, box lacrosse, basketball, bowling, badminton, racquetball, table tennis, volleyball, team handball, handball, inner-tube water polo, ultimate frisbee and softball.

University community members take part in exercise and recreational activities. McLane Center is open daily for swimming, squash, racquetball, handball or fitness training.

The 60,000 sq. ft. Arthur and Lea Powell Campus Center was first occupied in the spring semester of 1994. One of the finest community-gathering facilities on campus, it features a cafeteria-dining room with panoramic hillside views, a forum/movie theatre, an “open air” food court, a night club, student organization offices, a center for cultural unity, different types of meeting rooms, a formal Alumni Lounge, the University bookstore, TV and radio station, and TV lounge.

Cultural Facilities and Events

Art Galleries

The Robert Turner Student Gallery is operated by students for students. The Student Gallery Committee reviews proposals for exhibitions, controls a budget, produces publicity, and organizes receptions.

The Fosdick-Nelson Gallery, housed in the School of Art and Design at Alfred University, is a vibrant learning center for the visual arts. Rotating exhibitions highlight artwork by established and emerging artists working in New York, the United States and abroad. Past exhibitions have included works by artists such as: Xu Bing, Christian Boltanski, Chuck Close, Tony Cragg, Carroll Dunham, Viola Frey, Emmet Gowin, Ann Hamilton, Gary Hill, Anish Kapoor, Les Levine, Gertraud Mohwald, Ron Nagle, Shirin Neshat, Steve Reich, Charles Simonds, Cindy Sherman, Lorna Simpson, Kiki Smith, Fred Wilson and Betty Woodman, to name only a few.

The strength and diversity of the school’s graduate programs is highlighted annually in the Fosdick-Nelson Gallery with a series of graduate thesis exhibitions. The gallery provides MFA students an opportunity to present the culmination of their thesis work in a well-established, professional venue.

The gallery is named in honor of Clara Katherine Fosdick and Marion Lawrence Nelson, two women artists and professors who taught at the school with a commitment to education and a belief in the support and nurturing of young people. (Fosdick taught from 1915-53; and Nelson 1920-56)

Located in rural western New York, the Fosdick-Nelson Gallery is the only well-established contemporary art venue within a sixty-mile radius for the community to experience a diverse mix of art first-hand and participate in an exciting forum of contemporary art and culture.
Extended programming, including gallery lectures and special projects, gives students and members of the community an opportunity to engage with artists, curators, and scholars all in support of the mission, values and goals of the School of Art and Design.

Alfred University “aims to provide challenging programs in a student-centered environment in order to prepare well-educated, independent thinkers ready for lives of continuous intellectual and personal growth”. To that end, it is necessary to articulate behavioral expectations and community standards in the form of the Code of Student Conduct, Residence life and General University Policies. These policies exist to serve as a guide for each student and to ensure the proper atmosphere necessary for the academic and social life of each student.

Alfred University’s student judicial system is designed to confront individuals with the impact of their actions in a constructive and educational manner that will foster an understanding of the effect their behavior has had on individuals and the community. The judicial system is also designed to hold students accountable for their behavior, to protect the University community and property, to protect the rights of the members of that community to function in an environment conducive to academic pursuits and to challenge students’ moral and ethical decision-making. Judicial action will be taken against students whose conduct adversely affects the University community and/or pursuit of its objectives, or violates state, local or federal law.

University men and women are expected to conform to high standards of adult behavior, both on and off campus. Judicial action will be taken against students whose conduct adversely affects the University community and/or the pursuit of its objectives. Violations of University code of conduct are brought to the attention of the Judicial Coordinator.

The judicial system deals with disruptive or nonproductive behavior with emphasis placed on education and personal development. (A detailed statement on the judicial system can be found in the Student Life – Policies and Procedures hand book available throughout the campus, or can be accessed through the Alfred University web page: my.alfred.edu/index.cfm/fuseaction/student_policies.index.cfm.

**Alumni Association**

The Alfred University Alumni Association dates back to 1884 when a group of enthusiastic former students established an organization to “create and maintain activities for the support and development of the University.” The Alumni Association is led by the Alumni Council whose members are selected from active alumni volunteers. In 2010, the Council updated the Alumni Association’s Constitution and its mission: “The Alfred University Alumni Association actively supports and facilitates the strongest possible sense of community among Alfred University’s administration, faculty, student body and alumni.” The Alumni Council operates under the direction of an elected President and with the support of the University’s Director of Alumni Engagement.

Individuals who have completed two full-time semesters in good academic standing are automatically members of the association, which has grown to more than 30,000 members. Alumni support has always been an essential part of Alfred University’s progress and success.

Alumni are invited to attend regional events, as well as to return to campus for special events, particularly Homecoming and Reunion Weekends. The Alfred Magazine, mailed to alumni, carries information about these programs, along with campus news, class notes, and alumni profiles. The University also communicates electronically with its alumni through e-news and Facebook.

The Alfred website, [www.alfred.edu/alumni], offers a vital link for communication among classmates and between the University and alumni. Alumni may register online for regional and campus events. The online Alfred Community enhances opportunities to stay in touch by offering a permanent email address.

The Office of Alumni Relations is located on campus in the University Welcome Center at the Fasano House. Alumni and friends are encouraged to stop in when visiting the Alfred area. Alumni may also stay in touch by calling (607) 871-2144 or by e-mailing: alumni@alfred.edu.

The report also includes a three-year summary of statistics of crimes that are reported to have occurred on University property, in off-campus buildings owned or controlled by the University, and on public property within the Village of Alfred.

Hazing Policy

Alfred University will not tolerate any form of hazing. Due to the serious nature of hazing and the unique situational pressures to which victims of hazing are subjected, the University has a procedure solely to address allegations of hazing. To the extent they do not conflict with this procedure, the normal rules and procedures of the University shall apply.

Alfred University’s definition of hazing is broader than the New York State Penal Law which defines Hazing in the first degree as: "... when, in the course of another person’s initiation into or affiliation with any organization, he intentionally or recklessly engages in conduct which creates a substantial risk of physical injury to such other person or a third person and thereby causes such injury." (N.Y. Penal Law, §120.16). Hazing in the first degree is a Class A misdemeanor and conviction carries a potential penalty of a fine of up to $1,000, one year in jail.
Hazing in the second degree (a violation) incorporates a nearly identical definition except that no actual injury to any person needs to be proven (N.Y. Penal Law, §120.17).

Alfred University defines hazing as "any activity expected of someone who is initiating into or affiliated with a group, that humiliates, degrades, abuses, or endangers, regardless of the person's willingness to participate. Furthermore, this definition includes any action which results in the disruption of the educational process, the impairment of academic performance, or failure to properly fulfill obligations to University sponsored groups or organizations." Examples of hazing include, but are not limited to the following: depriving a person of sufficient sleep, paddling or beating a person, requiring or encouraging a person to consume alcohol, drugs or foreign or unusual substances, kidnapping or confining a person, subjecting a person to cruel and unusual psychological conditions.

Any violation or suspected violation of the University's Hazing Policy should be reported immediately to any of the following: the Student Affairs, Athletics or Student Activities Offices. In addition, students may also report incidents of hazing to the Alfred Police Department. Any person who is in violation of this policy may be subject to expulsion from the University. Recognized organizations that are found in violation of this policy may be subject to loss of recognition, distinct and apart from any sanctions to which its members are subject.

**Weapons Policy**

Possession or use of weapons while on property owned, affiliated with, or controlled by Alfred University (including sidewalks, driveways and parking lots) or where Alfred University events are occurring, is expressly prohibited, except as may be required by law enforcement officials. This policy further applies to those operating Alfred University Motor Pool vehicles, whether on or off University property.

The definition of "weapons" covers all items capable of inflicting serious injury. This includes items which are legally possessed, but used in a manner that harms, threatens or causes fear or could easily be mistake as a weapon Examples include, but are not necessarily limited to, the following:

- Firearms
- Knives
- Air Guns
- Spear Guns
- Paint Guns
- Bow and Arrow
- Explosives: Gunpowder, Firecrackers, Ammunition, etc.

Because such items are capable of inflicting serious injury and thereby pose a clear risk to persons and/or property, violations of this policy may result in disciplinary action up to and including suspension of students or termination of personnel and may likewise be prosecuted under applicable law.

*Note: On occasion, academic programs may require the use of tools falling under this definition. Such tools, when applied directly to program-related activity, are exempt from this policy.*
