A Few Important Points To Note

Your AU Student is responsible for the welfare of their sibling(s) and parents release decision-making power (including medical) to their child attending AU.

Sibling should bring sleeping bag & pillow. Sibling will be staying in AU sibling's room. Any roommate should be informed and willing to share room before registration is sent in.

Your AU child must be at least 17 years of age to assume responsibility during this weekend and siblings cannot be younger than 5 years old. No more than two siblings per AU student.

AU Health Center cannot treat any injury or illness of non-AU students. An ambulance or non-emergency transport is available for hospital needs.

A child's behavior is the responsibility of their AU sibling and it is expected that siblings conduct themselves accordingly in regards to University policy and local/state/national laws.
